

High-performance Ultra Range: gegarandeerd blijvend mooi

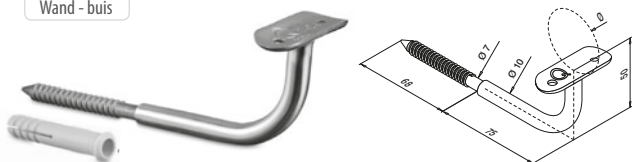

Het klassieke RVS staal heeft een fantastische uitstraling die niet verloren mag gaan. Toch blijkt het in zware omstandigheden lastig om corrosie te voorkomen.

Daarom zijn onze Ultra Range producten van ongeëvenaarde kwaliteit. Ze zijn extra bestand tegen vlekvorming en oneffenheden door corrosie. Dankzij toepassing van duurzame corrosiebestendige materialen is Ultra Range het aangewezen assortiment voor gebruik in zwembaden en kustgebieden. We zijn zelfs zo overtuigd van de kwaliteiten van Ultra Range dat we 2 jaar kwaliteitsgarantie* geven.

* Gegarandeerd 2 jaar lang corrosievrij, met inachtneming van onze voorwaarden.
